435.000€

In the heart of Torrevieja, opposite the emblematic Natural Pools, stands this extraordinary 142 m² apartment that invites you to experience seaside living with distinction. The dwelling offers three exterior bedrooms, flooded with natural light, two of them with direct access to a terrace that extends relaxation outdoors. The master bedroom, with an en-suite bathroom and walk-in closet, enjoys privileged sea views, a luxury reserved for those who seek to wake up each morning facing the vastness of the horizon. The corner living-dining room opens onto a spacious terrace with unique panoramic views of the promenade and the blue Mediterranean, becoming an ideal space to enjoy memorable moments in an incomparable setting. The fully equipped kitchen elegantly meets the daily needs, combining functionality and style. Built with marble flooring, solid wood interior carpentry, pre-installation of ducted air conditioning, and a split air conditioning unit (living room), ceiling fans, double glazing, and built-in wardrobes. The building has anti-seismic security measures. The property is completed with a private parking space and two storage rooms, providing comfort and security without sacrificing exclusivity. More than just a home, it is an invitation to live the Mediterranean to its fullest, where the sea breeze, the energy of the promenade, and the serenity of the sea are integrated into your lifestyle.
