With 131 m² built on a 220 m² plot, this property offers a perfect combination of wellused interior spaces and private outdoor areas surrounding the house on three sides.

On the ground floor, there is a spacious and very bright living room, with separate areas for sitting and dining, and direct access to a private westfacing terrace, perfect for enjoying the afternoon sun. The functional and welldesigned kitchen connects to the living room, and this floor also has a full bathroom and a storage room under the stairs.

The first floor has three bedrooms, a full bathroom and a small office, ideal as a teleworking or study space. The second floor houses the laundry room with washing machine and two sun terraces, one facing the sea and the other facing the mountains perfect for both everyday use and enjoying the views and Mediterranean climate.

Built in 2005 and available immediately, this villa is eastwest facing, ensuring natural light throughout the day. Although it does not currently have direct use of a swimming pool, there is the possibility of accessing the communal pool by agreement with the neighbours. Just 600 metres from the sea, this property represents an excellent opportunity to enjoy a Mediterranean lifestyle, whether as a permanent residence, holiday home or investment with great potential in San Juan de los Terreros.
