

7 sovrum Villa till salu i Villena, Alicante

149.995€

We are pleased to present this substantial seven-bedroom villa, ideally located just 3km from the town of Villena, set within a peaceful yet well-connected area.

The main property offers over 200m² of accommodation, comprising two spacious living rooms, seven bedrooms, one full family bathroom, and an additional guest WC, providing ample space for large families, extended family living, or rental potential.

Externally, the villa continues to impress. A summer kitchen area, complete with its own full bathroom, offers excellent potential to be converted into a self-contained guest annex or casita. The fully fenced plot ensures privacy and security, while the below-ground swimming pool, enclosed with glass panels, creates an attractive and safe space to enjoy the warm summer months.

A large covered terrace provides the perfect setting to relax and unwind while taking in the open mountain views, ideal for outdoor dining or entertaining.

With Villena — a vibrant town of approximately 30,000 inhabitants — just minutes (3km) away, this property is well suited as a permanent residence or a holiday home. The surrounding area offers neighbours without the property being overlooked, striking an ideal balance between privacy and community.

Important Information:

The property was affected by an earthquake several years ago, resulting in structural cracking, which is clearly shown in the photographs and highlighted in the video. This has been fully reflected in the asking price. Comparable
