Get Lost: A Captivating Retreat in the Heart of Córdoba

Nestled in the tranquil village of Zambra, just moments from the historic town of Rute, lies "Get Lost"—a property that earns its name through an enchanting layout of interconnected spaces and hidden gems.

Versatility and Character Set on a quiet, wide street with effortless off-road parking, this residence boasts three distinct entrances. The private garage provides far more than just parking; it serves as a gateway to extensive storage and a dedicated workshop. From here, a short flight of steps leads you to a series of elevated garden terraces, offering a private sanctuary with stunning views and additional outbuildings.

A Home of Discovery The main entrance opens into a welcoming reception hall, leading to a thoughtfully designed interior:

Ground Floor: A spacious double bedroom, a bright lounge and dining area, and a fully tiled family bathroom with a dedicated utility space.

First Floor: The staircase rises to a generous landing, connecting three further well-appointed bedrooms. Two of these feature charming Juliet balconies, flooding the rooms with natural light.

The Connection: In a clever architectural twist, a first-floor storage room features private steps leading directly back into the heart of the home—the kitchen—perfectly illustrating why this property is a joy to "get lost" in.

Whether you are looking for a spacious family home or a property with unique character and workshop potential, Get Lost offers an unparalleled opportunity to own a piece of Andalusian charm. If you want to watch a personalised video, the copy and paste the link below to your internet browser.
