Rural Living: An Authentic Cortijo Amidst the Sierras Subbéticas

Experience the tranquility of the Andalusian countryside with "Rural Living", a charming 178m² semi-detached farmhouse (Cortijo) set on a 200m² plot. Located in the breathtaking Sierra de la Horconera, this property offers a rare opportunity to own a piece of the Cordoban highlands.

Prime Rural Location

Situated just 1.5km from the hamlet of Las Piedras and 8km from the vibrant town of Rute, the property is reached via a private track through rolling olive groves. Its position at the foot of the mountains ensures unmatched peace and immediate access to nature.

Exceptional Outdoor Spaces

The exterior is designed for enjoying the rural lifestyle:

A traditional shared courtyard providing ample parking space.

A large private patio featuring multiple storage areas, a utility room, an outdoor toilet, and a summer kitchen with an open fireplace—perfect for alfresco dining.

Substantial Accommodation

The interior is cleverly distributed across two floors with dual entrances:

Ground Floor: The left entrance leads into a welcoming lounge-diner serving two double bedrooms. The right entrance opens into a farmhouse-style kitchen with an open fire, a larder, and a family bathroom.

First Floor: The staircase leads to a landing connecting five further bedrooms. The elevated position provides spectacular, far-reaching views of the surrounding olive plantations and the rugged mountain peaks.

Rural Living is more than just a house; it is a gateway to the outdoors. Whether you are looking for a spacious family retreat or a base for hiking and nature-focused activities, this property offers the very best of Spanish country life.
