

4 sovrum Radhus till salu i Torrevieja, Alicante

1.265.000€

Fabulous, one of a kind townhouse with a build size of 542m² and located very close to the center of Torrevieja. This high quality property was designed & built by the current owners with all the features of the house being carefully chosen to best represent its incredible architecture. Entering the ground-floor hallway you are met with handcrafted, Italian, mosaic tiles and a marble staircase leading to the first-floor, and offering a grand living area with Venetian curtains, a beautiful fully-fitted kitchen, with utility-room, pantry and access to two large terraced areas providing plenty of natural sunlight to the spaces, an office and guest washroom. The second-floor presents the four bedrooms, including the large, master with private en-suite bathroom & walk-in wardrobe and a family-size bathroom. The top floor has a large, open-plan living area that the current owners have turned into a library/work space and access to the private solarium featuring a large storage room. The main entrance has access to a very large, private garage where you can park several vehicles, has room for storage & features a family-size bathroom. Also including an underbuild where you can find another large living area with specially designed windows that replicate natural sunlight and a temperature regulated wine cellar. The house itself has been elevated thus preventing damp & its structure is anti-seismic. All the doors are handcrafted, all the shutters are electric & the property also features marble floors with underground heating, air-conditioning, an alarm-system, all lights are LED, PVC windows, & a lift with access to every floor!
