

2 sovrum Villa till salu i La Romana, Alicante

275.000€

Beautiful 2-Bedroom Villa with Potential for Additional Accommodation

This charming villa/fince is located a short drive from the picturesque village of La Romana and offers exceptional privacy throughout.

The property comprises an entrance hall, two double bedrooms (one on the ground floor and one on the first floor), a family bathroom with shower, and a spacious open-plan living-kitchen-dining area with attractive exposed wooden beams. There is also a garage within the grounds, offering excellent potential for creating a separate guest suite.

Outdoor living is a key feature of this property. The house enjoys a lovely covered terrace and a private 8 x 3 m swimming pool. The main plot surrounding the house measures 593 m² and is fully walled to ensure maximum privacy. It includes mature gardens, several seating areas, a summer kitchen with a utility room, and a beautiful rustic-style inner courtyard. There is also an outdoor bathroom for added convenience.

Beyond the main garden, the property benefits from an additional 1,776 m² olive grove.

The property is being sold fully furnished.

This villa offers a wonderful combination of character and privacy in a highly desirable location.
