

3 sovrum Radhus till salu i Alcaudete, Jaén

60.000€

This 3 bedroom townhouse close to the centre of Alcaudete in the province of Jaen, Andalucia, Spain, is unfurnished, it just needs the water and electricity re connecting and it is ready to move into. Very near the old plaza and the castle this is a great three storey house plus roof terrace with a large garage. Enter the lovely, wooden double doors to the hallway and an entrance to the large garage on the left. There is an under stair cupboard at the end of the hall and the marble stairs with wrought iron railings spiral up to the first floor and continue up to the large roof terrace with two storage rooms, one with a sink and washing machine. The first floor has a dining area, kitchen and lounge or bedroom. The second floor has two bedrooms, a sitting area and bathroom (with two doors, making one en suite.) An unusual house with interesting features plus air conditioning and central heating.
